

2022 Share the Spirit Donors

THANK YOU SO MUCH!

(This early list only reflect gifts processed by 12/12/22)

East Bay Times readers are again responding generously to the annual effort to help their neighbors in need whose stories are being told in print and online this holiday season. Through Monday December 12, 2022, readers have donated \$248,397 to provide much-needed services and support to people who are struggling.

All of the money raised goes to the nonprofit programs and families featured in the Share the Spirit campaign, with the East Bay Times covering all administrative costs of the program.

Following is a *partial list* of Share the Spirit donors whose generosity we'd like to publicly acknowledge – an updated list will be published in January. Share the Spirit would also like to thank the many donors who wish to remain anonymous but whose gifts will help make a difference for so many people.
